**vivera™** retainers  
From the makers of **Invisalign®** aligners

The choice is clear. A premium, long-term retention solution from the makers of Invisalign® clear aligners.

### Why Vivera retainers?

- Help patients maintain the beautiful smile you've created with a retention protocol that works for them and your practice.
- 98% of doctors surveyed who have used Vivera retainers are more satisfied with Vivera retainers than other retainers.<sup>1</sup>
- 94% of surveyed users of Vivera retainers in the U.S. would recommend Vivera retainers to a friend.<sup>2</sup>

### The Vivera retainers difference

From the makers of the world's most advanced clear aligner system<sup>3</sup> comes Vivera retainers – manufactured using the same advanced fabrication technology, which means patients get:

- A precise, smooth, comfortable fit
- 3 retainers per arch to protect their smile with a backup, even if a retainer is lost or damaged

### Customisable features for each patient

- Compatible with fixed lingual retainers
- Provide additional support with Precision Bite Ramps after deep bite correction
- Option to add pontics for missing teeth

### Higher productivity and efficiency for your practice

Use your valuable practice resources on higher-billable activities and leave the custom manufacturing to us.

- Vivera retainers work hard for your practice and your patients by keeping the smiles you created beautifully
- Easy to order from any ClinCheck stage, intra-oral scan or PVS impression
- Patients' records are digitally stored for easy re-ordering in the future
